Terre Sans Frontières,TSF, (World Without Borders), is an organization based in La Prairie that operates on an international level to promote lasting development for disadvantaged populations of the poorest countries in the developing world.

Begun in 1980 by the Frères de l'Instruction chrétienne, as a way of increasing the scope of their mission, TSF operates within the framework of local partnership that while encouraging the self-sufficiency of the populations. TSF also seeks to help and promotes a more equitable sharing of wealth. The main areas of its intervention are education, water, health and community development.

TSF is also forging ahead with its Programme Québec, one which seeks to improve the lives of those in need here at home by assisting them in the fields of health, education, and self-esteem.
